NORTHGATE UNIVERSITY
URBAN DATA LAB
SUMMER RESEARCH INTERNSHIP - APPLICATION FORM

Applicant: Jonas Halvorsen
Nationality: Norwegian
Date of birth: 2001-11-03
Current study: MSc Data Science, University of Bergen (expected 2027)

Position applied for
Research Intern, Urban Data Lab (paid, 12 weeks)

Preferred period
15 June 2027 - 3 September 2027

Employment eligibility
I confirm that I am eligible to work in the Netherlands for the duration of the internship and that I can provide a residence permit on request.

Skills
Python, SQL, geospatial analysis with PostGIS, basic machine learning

Motivation
I would like to work on the parcel level land use data described in the lab’s 2025 publications and contribute to the open data release.
