NORTHGATE UNIVERSITY
DEPARTMENT OF URBAN SYSTEMS

AURELIO CASTELLAN
Professor of Urban Systems

CURRICULUM VITAE

Education
2011 PhD in Urban Planning, Delft University of Technology
2006 MSc in Economics, University of Barcelona
2004 BA in Geography, University of Lisbon

Academic appointments
2019 - present Professor of Urban Systems, Northgate University
2014 - 2019 Associate Professor, Northgate University
2011 - 2014 Assistant Professor, Radboud University

Research focus
Urban land markets, housing supply, spatial data infrastructure and the economics of planning regulation. Current work examines how municipal land registries shape development patterns.

Selected publications

Castellan, A. and Moreau, L. (2025). Land registry quality and housing supply elasticity. Journal of Urban Economics, 141, 103-128.

Castellan, A. (2024). The fiscal geography of planning fees. Urban Studies, 61(7), 1455-1478.

Castellan, A., Okafor, H. and Nguyen, T. (2023). Parcel data as public infrastructure. Environment and Planning B, 50(4), 912-935.

Castellan, A. (2022). Measuring regulatory delay in building permits. Regional Science and Urban Economics, 96, 156-171.

Castellan, A. and Duarte, M. (2021). Housing supply and the shape of cities. Journal of Housing Economics, 52, 88-109.

Research grants

2024 Dutch Research Council, Open Competition grant, EUR 780,000
’Land registries and housing supply’ (co-investigator)

2022 European Spatial Planning Observatory, EUR 210,000
’Municipal planning data standards’ (principal investigator)

2019 Northgate University seed fund, EUR 45,000
’Parcel level land use reconstruction’

2017 Municipality of Eindhoven, EUR 96,000
’Permit throughput study’ (principal investigator)

Teaching

Urban Economics (MSc, 2016 - present)
Planning Data Systems (MSc, 2019 - present)
Spatial Methods for Policy Analysis (BSc, 2015 - present)
PhD supervision: six completed students, four in progress

Recent course development
2025 Rebuilt Planning Data Systems around open parcel registries
2023 Added a reproducibility module to the MSc methods sequence
2021 Introduced a policy clinic with the city planning office

Professional service

Editor, Journal of Urban Economics (2022 - present)
Associate editor, Urban Studies (2019 - present)
Reviewer: ERC Starting Grants, Dutch Research Council, ESRC

Departmental roles
Director of the Urban Data Lab, Northgate University (2020 - present)
Chair of the departmental research seminar series (2018 - 2022)
Admissions committee member for the MSc in Urban Systems (2019 - present)

Membership
Regional Science Association International
European Network for Housing Research

Selected talks

2026 Keynote, European Spatial Data Conference, Vienna
2025 Invited seminar, London School of Economics
2024 Panel on land registries, World Bank Urban Week
2023 Seminar, MIT Department of Urban Studies and Planning

Recent media and policy work
2025 Briefing note on planning delays for the national housing ministry
2024 Expert comment on land registry reform, NRC Handelsblad

Languages
Portuguese (native), English (fluent), Dutch (fluent), Spanish (fluent)
